

GGOS-Related Research

Input from:

- Richard Gross (Mass transport, Earth rotation, reference frame, ocean models)
- Jacques Hinderer (Gravity and hydrology)
- Hans-Peter Plag (Surface loading, reference frame, sea level, mass redistribution, early warning, hydrology)
- Markku Potanen (NGOS, mantle dynamics, tectonics)
- Chris Rizos (Sea level and water storage)
- Reiner Rummel (GOCE, GRACE, Mass Transport)
