Status of Action Item GGOS-SC10-14: Changed.

Report: The draft was reviewed while in Frascati, and it was decided not to publicize it since there were too many open issues. It was agreed to discuss the draft again after the GGOS Unified Analysis Workshop. **Reported on 2007-12-01 by Hans-Peter Plag.** **Action Item GGOS-SC-4-1:** All Steering Committee Members to contact their national GEO representatives in order to promote GGOS in GEO. **Responsible: All, Deadline: 2006-12-31.**

Status of Action Item GGOS-SC-4-1: Open.

Report: Since there appears to be no official list of the national GEO representatives, the SC members who want to lobby GGOS with their national GEO representatives should identify their national GEO representatives themselves. A starting point could be the list of participants at the GEO II, which is available as http://geodesy.unr.edu/ggos/sc/meetings/geo_ii_participants.pdf . **Reported on 2008-01-30 by Hans-Peter Plag.**
