

# **GGOS Coordinating Office**

**Markus Rothacher**

ETH Zurich

**15<sup>th</sup> GGOS Steering Committee Meeting**

**EGU Meeting 2009**

**Vienna, April 18, 2009**

# Activities since AGU 2009

## **GFZ:**

- Talks with GFZ director and Prof.Kahle
- Preparation of proposal by GFZ
- Took long because of difficult transition phase

## **Other Sources:**

- Hans-Peter Plag in contact with surveying agencies and other institutions (NMA, NASA, ...)
- Discussion with Prof. Grünreich about possible involvement of EuroGeographics (former CERCO/MEGRIN)

Meeting of Management Board took place yesterday.

Grünreich to ask about possible GGOS CO contribution.

# GFZ Proposal: Tasks

- Administrative support of the various components of GGOS (GGOS EC, GGOS SC, Science Panel, ...)
- Organization of GGOS meetings and workshops
- Preparation and printing of GGOS publication series and other documentation (leaflets, brochures, posters, booth, ...)
- Help with communication issues: mailing-lists, directories of users and associates, calendars, ...
- Web pages maintenance in close cooperation with the GGOS Portal activities at BKG
- Close coordination with IAG Outreach Branch
- External representation of GGOS (limited)

# GFZ Proposal: Resources

## Staff Resources:

- 1 senior scientist (planned: Wolfgang Dick)
- 1 administrative/technical position
- 30%-50% of a secretary position

## Travel and other expenses:

- 10'000 € for traveling
- 50'000 € for printing, workshop organization, outsourcing (external representation, design, software, ...)

## Infrastructure:

- Provided by GFZ Department 1 “Geodesy and Remote Sensing”
