# GGOS Terms of Reference

---

## **Interim Terms of Reference for 2006-2007 (2009):**

- Modifications to the existing approved Terms of Reference prepared during the establishment phase of GGOS from 2003-2005
- Vision, mission and objectives not changed at this point
- Changes primarily structural in nature, focusing on the organization of the Steering Committee, Science Panel, ...
- Kept basic and flexible to allow for the development of GGOS in 2006/2007
- More elaborate and consolidated version to be approved by the IAG EC at the IUGG 2007 Perugia meeting
- Approval of these interim ToR by the IAG EC (April 3, 2006) for the interim phase
