GGOS Retreat and 8th GGOS Steering Committee Meeting
Oxnard, California
February 19-21, 2007

Scope and Goals of the GGOS Retreat

- Information on the **work done since the last SC meeting** in December 2006 and the status of GGOS
- Get a clearer picture of the **roles of the IAG Services, Commissions, and GGOS** and their interaction
- Get a clearer picture of the **future GGOS technical and organizational structure**
 - GGOS2020 document
 - New Terms of Reference
 - CfP for new components (Central Bureau, GGOS portal, ...)
- Discussion of the GGOS2020 document
- What are the steps and the procedure to reach GGOS2020 ?
- **International activities** of GGOS (GEO, IGOS-P, ...)
- **Internal integration process** of GGOS:
 - Define concrete projects and workshops
- Preparations for upcoming meetings (EGU 2007, IUGG 2007, GGOS Workshop 2007, ...)
