

GGOS Terms of Reference (ToR)

Markus Rothacher

GFZ Potsdam

**GGOS Retreat and 8th GGOS Steering Committee Meeting
Oxnard, California
February 19-21, 2007**

Considerations for New ToR

General:

- How to proceed over the next few years ?
- Solution in two steps necessary (Perugia ToR; Long-term ToR) ?
- What about the vision, objectives and goals

Components:

- Executive Committee
- Steering Committee:
 - Size of Steering Committee
 - Regional representations (Members at Large)
- Working Groups
- New Components of GGOS (CfP ?):
 - GGOS Secretariate
 - GGOS Portal Development
- New “Entities”:
 - Entity “Communication and Networks”
 - Entity “Geodetic Standards”
 - Entity “Satellite and Spacer Missions”
- Pilot Projects within GGOS
