9th GGOS Steering Committee Meeting

EGU 2007, Vienna

April 17, 2007

GGOS Terms of Reference (1)

Intermediate Terms of Reference:

- Modified and several times iterated among the Executive Committee members, then sent to the GGOS SC
- Accepted by the GGOS SC on July 10, 2006
- Accepted by the IAG EC on September 7, 2006

Compliance with IAG By-Laws:

- No problem anymore because GGOS no longer an IAG Project by Perugia.
- General structure has to be included in the **IAG ByLaws**
- New structural elements should be included in the **IAG ByLaws** and in the new GGOS ToR

GGOS Terms of Reference (2)

New Terms of Reference (for IUGG Perugia, 2007):

- No drastic changes planned concerning the structure of existing elements of GGOS for the new GGOS ToR
- GGOS Portal (mid 2007: Call for Proposals)
- Central Bureau of GGOS (end 2007: Call for Proposals)
- Additional elements ???
- Keep flexibility for possible structural developments
- Should the vision, mission and objectives be modified ?
- Priority to IAG ByLaw contribution
